## Goal of the Appy Shimbashi

**\*All users want to come back and see you again.**

We try to be attentive so that the children will have fun and the parents will feel at ease.

**\*Building a team that values each other.**

We create many opportunities for communication throughout the day. We support each other according to the situation of each staff member.

**\*Information sharing and collaboration among staff members.**

We place importance on resolving any concerns within the day.

We are conscious of "peace of mind" in everything we do, and we make time for all staff members to check with each other.

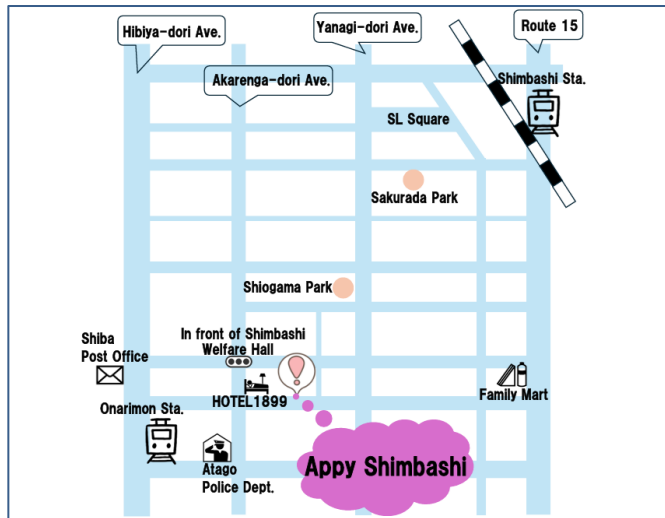

We aim to operate a safe and secure facility while keeping this thought in mind.
